Whānau Mārama New Zealand International Film Festival 2020

NZIFF At Home — Online brings the festival experience to the comfort of your living room.

This year we've curated a special programme of more than 80 features and short film collections for streaming on your television, computer, handheld device or home cinema setup.

The Festival runs from **Friday 24 July until Sunday 2 August**, with some films available online until Saturday 8 August.

The following schedule indicates when each film is available to purchase for online viewing.

At Home — Online films are available to watch as:

Online Rentals, viewed within 48 hours of purchase*, or

Online Premieres, viewed at a set date and time, many with special Filmmaker Extras and post-film Q&As.

You'll find everything else you need to know about watching online, including FAQs, How-tos, tech support, film classification, and an interactive film schedule, at

NZIFF.CO.NZ

*There are some exceptions. Please check details before purchasing.

Online Premieres are on sale from 10 July. Online Rentals are on sale starting 25 July, with new rentals made available each day of the Festival. For now, you may wish to create an account and try our test film trailer on athome.nziff.co.nz, and create your Wishlist on nziff.co.nz.

Prices are GST inclusive and in NZD. Terms & Conditions apply.

Setup & Pricing

There are four things you need to watch films on our streaming platform:

1. An At Home — Online account (go to athome.nziff.co.nz)
2. A New Zealand-registered credit or debit card
3. A broadband internet connection
4. A screen to watch on (see nziff.co.nz for full system requirements)

\$10 — Online Rental

These tickets are available to buy from 25 July, with films available to stream for 48 hours* from time purchase. New Online Rentals are released each day of the Festival at 10 am and will be available to purchase for up to one week.

\$12 — Online Premiere

These tickets are available to buy from 10 July, with films streamed at a set time and date. This is the equivalent of an in-cinema premiere event, with audiences around the country watching together. Select Online Premieres will be followed by live Q&As or discussions on Facebook and YouTube.

\$14 — Online One Night Only

An Online Premiere that will not be available as an Online Rental. This is your one chance to watch!

\$20 — Group

If you're watching any film with a group of 3+ friends or whānau this price is for you. Unlike many other film festivals, we are founded on the principle of sharing our box office takings with filmmakers and their agents. Where we'd normally charge individual ticket prices for in-cinema screenings, we're asking our audiences to support filmmakers and the Festival by chipping in extra for mates watching with you.
